Plant & Equipment

These documents are used to record the equipment used on site and inspection records.

- Equipment Register
- Mobile Plant Status Report

Mobile Plant Status Report

Plant Description: _____

Plant #: _____

Inspection performed by: _____

Date _____

Hours _____

Equipment inspection checklist			<input checked="" type="checkbox"/> = Serviceable	<input checked="" type="checkbox"/> = Needs repair	N/A = Not applicable
<input type="checkbox"/> Brakes	<input type="checkbox"/> Hydraulic oil levels & leaks	<input type="checkbox"/> Windscreen / wipers			
<input type="checkbox"/> Steering	<input type="checkbox"/> Radiator level & leaks	<input type="checkbox"/> Tyres & pressure			
<input type="checkbox"/> Lights	<input type="checkbox"/> SWL Displayed	<input type="checkbox"/> Fire Extinguisher			
<input type="checkbox"/> Reversing Alarm & light	<input type="checkbox"/> Safety hooks & chains	<input type="checkbox"/> Quick hitch safety pin			
<input type="checkbox"/> Limit switches/alarms	<input type="checkbox"/> Slew mechanism	<input type="checkbox"/> Hydraulic safety lock			
<input type="checkbox"/> Engine oil levels/leaks	<input type="checkbox"/> Tracks
